## Chamber Welcomes Broderick's Jewelry

Heber City's newest business, Broderick's Jewelry, has opened its doors to serve the residents of Wasatch County and the surrounding area.

Gail Smith of the Chamber of Commerce officially welcomes Roy Broderick to the business community. As the owner of Broderick's, Roy is bringing several years of experience in the field of jewelry design and sales to the community.

Roy's experience in the jewelry industry spans the past several years where he operated his own business in the Orem area. His Orem outlet dealt primarily as a "trade shop" which centers to jewelry stores and not the general public.

Broderick's Jewelry will carry a complete line of fine jewelry including sapphires, rubies, diamonds, birth and mother's rings, wedding settings and other gift items. Along with the sale of fine jewelry Roy will also do custom design of fine jewelry.

As a graduate of BYU Roy has always had a fascination with the art of jewelry and this in turn led him to study under Rabrasha at the Reever Academy of Fine Jewelry in San Francisco. At this

institution the European style of goldsmithing was taught and which Mr. Broderick is a master.

Roy is assisted in the operation of the jewelry store by his wife

Charlotte. They are the parents of seven children, six boys and one girl. As soon as they are able to sell their home in Orem they plan to move to Heber.
